

SCUBA DO ♥ ZANZIBAR

BEACH

Help Us Keep Our Beach Clean

When you support Scuba Do Zanzibar, you support our actions to create a clean, healthy environment. Since 2005, we have participated in the Ocean Conservancy's International Beach and Underwater Cleanup. This event has helped raise awareness amongst our community of the importance for keeping our environment clean. We have donated wheelbarrows, rakes, shovels and gloves to our village Environmental Committee and helped to get recycling underway by sponsoring a local project. A clean ocean and environment leads to healthy people in our community.
