

SCUBA DO ♥ ZANZIBAR

SAFETY
Help Us Promote Safety at Sea

When you support Scuba Do Zanzibar, you are helping us to encourage safe diving, snorkelling and boating practices. Our boats are equipped with two engines, VHF marine radios, cell phones, emergency oxygen and first aid kits. Our captains are fully trained and licensed. Our crew are emergency first responders and our dive and snorkel guides are rescue trained and strong swimmers. Most of our dive professionals are trained as hyperbaric chamber operators and attendants - all of which will give our guests confidence and peace of mind. In a remote location, safety first!
